Use this worksheet to see how InnFlux compares

InnFlux provides system management of the HSIA service through its Helios™ Hotel Console

InnFlux systems are 100% guaranteed to pass brand standards. Our systems have been built based on *exceeding ALL* brand standards.

Satisfaction Guaranteed. We're so confident that you will love our service, that we offer a **30-day 100% satisfaction guarantee.** Unlike no other HSIA company in the industry.

Professional Wireless Bridges not only help users with non-functional wireless cards (or no wireless cards at all), but they improve the appearance of your hotel. Plug and play, no software required, leather zip-up, credit-card sized bridge, USB-powered, more...
