

# Under-promise and over-deliver

...InnFlux doesn't talk about excellence, it produces it.

## Sample of Brands Serviced

InnFlux systems are 100% guaranteed to pass brand standards. Our systems have been built based on exceeding ALL brand standards.

## Testimonials and Customer Information

**Kineth Hotel Corporation is one of the top 50 hotel owner-management firms in North America. They had originally chosen a different HSIA vendor in 2003, but eventually later chose InnFlux in 2006 among a suite of other contenders to replace that vendor. They will tell you that finding out the difference between InnFlux and other companies' HSIA has been an eye opening experience. (Full reference letter available upon request)**

*"Immediately all issues went away and guest service ratings climbed. We have several large and challenging properties that Tantus has gone into, creating a very friendly and satisfying environment for our guests. I have no reservations recommending Tantus to meet and exceed expectations."*

*Scott Lockwood, Purchasing Mgr.  
Kineth Hotel Corp, North Liberty, IA*

**Janko Hospitality is one of the top 100 hotel owner-managed firms in North America. They originally installed Tantus' InnFlux HSIA in their hotels in 2004 and have never looked back. (Full Letter of Reference available upon request)**

*"Tantus has shown over our long history together that they have their finger on the pulse of the HSIA industry. They provided us with a simple and cost effective solution and their 24/7 support has never failed to resolve the few issues our guests have encountered. We would recommend Tantus to any company looking for an HSIA provider. They are one of the best companies we do business with and we would be willing to discuss our experience with any prospective customer of Tantus."*

*Ed Croom, President  
Janko Hospitality, Downers Grove, IL*

**Dora Hotels is a top 50 hotel owner-managed company and is a relatively new Tantus client. Dora chose Tantus' InnFlux system to replace almost all its hotels' current HSIA systems and is installing InnFlux in all its new hotels.**

*"Dora Hotels has switched from [another provider] to Tantus and has been very pleased with the decision. Our guests have echoed this satisfaction. Our two companies' business philosophies of quality and utmost service are a good match and we look forward to continuing to work with Tantus in the future."*

*Robert Dora, Owner, President  
Dora Hotels, Indianapolis, IN*

**Tantus recently installed a new Westin in downtown Memphis amidst several challenging requests by the property's developers and owners.**

*"Tantus' team of professional wireless network engineers have proven their level of expertise at our new Westin. They were flexible and worked with our specific needs in order to accomplish a premium HSIA experience for our guests. I would recommend Tantus to any company looking for a solid HSIA provider."*

*Garrett Matthieu, Director of Operations  
Senate Hospitality, Nashville, TN*
